JetMix

**NEW
TO RENER!**

JetMix blenders are powerful, portable, and convenient for anyone with a busy lifestyle, looking for a healthy way to eat or snack on the run! JetMix has a powerful motor and 6 stainless steel blades which easily cut through ice, frozen fruits, or vegetables and with your favourite greens or protein powder added, you are good to go!

No batteries! JetMix is re-chargeable with a convenient USB-C port, making it so easy to take camping, to the gym, to work, charge in the car or to just pop in the cupboard at home, with no more need for bulky bench-top blenders. Think about the convenience of a shaker, but with a V8 engine!
