

Dear Practitioner,

Thank you for your interest in purchasing BioMedica Nutraceuticals.

The following form is requested to be completed by each individual practitioner wishing to dispense BioMedica products, in order for BioMedica to assess eligibility to purchase our strictly practitioner only products.

If a practitioner in a clinic/pharmacy is wishing to purchase BioMedica products, the practitioner/s will need to forward this completed form/s to BioMedica, before ordering, either to info@biomedica.com.au.

1. On receipt of the completed form/s, BioMedica will contact the practitioner/s, going through each requirement of BioMedica supply, ensuring a thorough understanding of our sales policy.
2. If the clinic/pharmacy has more than one practitioner, every practitioner wishing to recommend and sell BioMedica products will need to fill out an individual form, and send together before approval is given.
3. BioMedica, from time to time, will mystery shop the approved clinic/pharmacy. If our products are being sold in a manner not in-line with our policy, we/the relevant distributor will stop current and future supply from the clinic or pharmacy until further notice.
4. After the application for purchase has been approved by BioMedica, the form will be forwarded directly to your requested distributor, to enable the practitioner to order as soon as possible.

Again, thank you for taking the time to complete our eligibility to purchase form.

As a proudly Strictly Practitioner Only company, we are sure you can appreciate the extra requirements needed to ensure our products are being sold in-line with our sales policy, and therefore protecting your business.

Kind regards,

Eyal Wolstin
General Manager
