Key Sun Laboratories, following agreement with the Therapeutic Goods Administration, is performing a recall for the above batches of Key Sun Kids Homeopathic Products, lozenges with integral application, because of the risk of a small metal wire being embedded in a lozenge.

If you have one of the above affected product batches, do not use it. Return it to the place of purchase for a refund or call our customer service line to arrange the return of affected product and a refund.

CUSTOMER SERVICE - 02 9999 2525

If a small metal wire is present, this could result in a child cutting their mouth. If any pieces of metal are swallowed by a child, this may result in damage to the digestive tract and present a choking hazard.

Anyone who is concerned in any way about the use of these products relevant to this problem should consult their doctor.

Key Sun Laboratories sincerely regrets any inconvenience to their customers.
