Designs for Health Pty Ltd, following agreement with the Therapeutic Goods Administration, is performing a recall for all batches within expiry of the listed medicine Immunitone Plus. The product contains the herb *Andrographis paniculata* (Andrographis), which is associated with reports of serious allergic reactions including anaphylaxis.

If you have the listed medicine Immunitone Plus AUST L 383995, do not use it.

Return it to the practitioner or place of purchase where you obtained it to arrange the return of the affected product and a refund or replacement.

CUSTOMER SERVICE +61 2 9136 6266

Anaphylaxis is the most severe type of allergic reaction and is a medical emergency. An anaphylactic reaction requires immediate treatment with adrenaline (epinephrine). Delayed treatment can be life threatening.

Anyone who is concerned in any way about the use of this product should consult their doctor.

Designs for Health Pty Ltd sincerely regrets any inconvenience to their customers.
